NORTH POINT TECHNOLOGY, LLC RECEIVES ECONOMIC CHAMPIONS AWARD Greater Syracuse Chamber Presents Award to North Point Technology

Endicott, NY (5 NOV 09) – The Greater Syracuse Chamber recognized North Point Technology, LLC, as one of Central New York’s Economic Champions at a luncheon held Wednesday, October 23 at the OnCenter in Syracuse, NY. The firm was acknowledged for remaining strong during difficult economic times, keeping jobs and business in the region.

“We dedicate ourselves to achieving the goals of our clients,” says Robert P. Lee, PE, Principal of North Point Technology, “It is this work ethic, along with our creativity and experience that has brought success to our clients and, in turn, to North Point.”

Providing automation and control systems engineering services for advanced water and wastewater filtration systems is a specialty area for North Point and one that has seen growth over the last several years. The firm also provides automation and control systems engineering, and engineering consulting services to clients in the aerospace, food, electronics, glass and wood products manufacturing industries.

North Point Technology, LLC was founded in 2002 by Robert P. Lee, PE and has grown significantly in size and scope of supply. In addition to engineering services, North Point has developed proprietary software unique to its industry, allowing them to offer clients more cost effective software solutions with shorter development and commissioning periods. The firm employs a highly specialized staff of engineers who serve clients throughout the United States as well as Australia and the United Kingdom from North Point’s offices in Upstate New York and Park City, Utah. www.northpointusa.com.
